Cleaner - General

Role Description

Reporting to a Centre Cleaning Supervisor and working as part of a team, this role is responsible for cleaning within the Westfield London shopping centre, based at White City.

Key Responsibilities

- Perform cleaning tasks as directed, to Cleandomain and Westfield standards
General site cleaning to include: -
 - All public areas internal and external to centre demise
 - All fixtures and fittings
 - Vacant retail units
 - Lifts and escalators
 - Washrooms
 - First aid rooms
 - All back of house areas
 - Mall and food court furniture
 - All offices
 - Car parks
- Operate handheld cleaning equipment such as vacuum cleaners, carpet extractors, blowers and escalator cleaning machines as instructed, to complete allocated cleaning tasks. Cleandomain will provide appropriate training for the use of any cleaning equipment.
- Machine Operators, various types of scrubber dryers will be used on site and only those trained to use these machines will do so during the course of their duties. Cleandomain will provide appropriate training for the operation of cleaning machines.

- Use chemical cleaning solvents and consumables as instructed to complete allocated cleaning tasks
- Follow safe work practices when undertaking cleaning duties
- Communicate all cleaning and maintenance issues to your area supervisor as soon as possible
- Communicate all suspicious behaviour and potential security risks to your area supervisor as soon as possible
- Adhere to dress and behaviour codes
- Report on time to all rostered shifts.

Hours of Work

Shifts will be between 4 and 8 hours in duration. Shifts will be rostered in line with your contracted hours and as required by the VCM.
